TRANSFER

YOUR BENEFITS

We will free you from searching for diverse service providers in different cities and countries. With the “RusTransfer” company you can order a transfer in any country of the world on the most popular routes to a hotel or a hotel, to a railway station or to an airport.

We will provide economy, standard, business, executive class cars for one or several people, and minivans and buses for large groups.

Transfer service is a practical solution when you need to order a car for a specific date and time during a business trip or business trip.

Unlike a taxi, we will provide a comfortable transport of the required class and capacity in advance, guarantee safety and the absence of unauthorized persons.

Moreover:

- We meet upon arrival with an information sign.
- We will help with the transportation, loading and unloading of luggage.
- We will wait if the flight is delayed.
